PASSENGER CAPACITY	MAX. ENGINE	ENGINE SHAFT
6 PPL	60 HP 44.1 KW	20" LONG

BOW SECTION

Compact bow has everything one may need – bow step plate and railing for safe and comfortable entry, single yet roomy seat with storage for the guests and their belongings, and it can be additionally extended with optional sundeck giving a nice sunbathing area to relax in.

STEERING CONSOLE

Little and functional steering console features a front seat with storage, safety handrails, windshield and dashboard for up to 9" screen with cupholder. Mechanical steering system and wheel come in standard equipment.

DRIVER SEAT

Classic rear seat, complete with two side handrails and a generously sized storage compartment, that comfortably fits two people – driver and passenger.

REAR SECTION

Typically for most Golden Line RIBs it comes with handy fiberglass steps on the inflatable tube. Additionally equipped with an optional waterski mast it makes a perfect little watersports boat.

BIMINI TOP

Classic solution for a mid-sized boat – bimini top. It covers nearly the entire boat and should be folded when the boat is in motion.
